

GutRiva[®]

— THRIVE FROM WITHIN —

Pre + Probiotic Capsules

Multi-Strain Microbiome Formula

3 × 10 Capsules

Supports Gut Microbiome | IBS Management | Post-Antibiotic Recovery

Restore Gut Balance Naturally

Modern lifestyle, antibiotics, stress, and poor diet disturb the intestinal microbiota, leading to digestive disorders.

GutRiva provides a clinically balanced combination of probiotics and prebiotics to restore healthy gut flora and support digestive health.

Composition (Per Capsule)

• Probiotic Blend – 20 Billion CFU

- ✓ Lactobacillus rhamnosus 5 Billion CFU
- ✓ Lactobacillus acidophilus 5 Billion CFU
- ✓ Bifidobacterium longum 5 Billion CFU
- ✓ Bifidobacterium lactis 5 Billion CFU

Prebiotic Support

Inulin / Fructooligosaccharides (FOS) – 300 mg

Indications

- Irritable Bowel Syndrome (IBS)
